ELECTIONS: Members of the CAWMC who have paid their 1977 dues will find a ballot enclosed with this newsletter. You are asked to mark your choices and return the ballot at once in the preaddressed envelope to Norm Williams. These positions to be filled are: President, Vice-President, Secretary-Treasurer, Editor, and five Members of the Board of Governors. The Past President automatically becomes member and Chairman of the Board of Governors.

RED MARK: If you see a red mark on the envelope this newsletter is mailed in, it will be last issue unless you join or renew your membership in The Canadian Association of Wooden Money Collectors. With costs continually rising I think we can expect current years dues before July 1st. We realize some of you may have let your renewal slip by and will send your dues to Bruce Watt at once. If you have any questions in this respect please contact Bruce as he has provided me with an up to date membership roster. We also send out Timber Talk to anyone who requests a sample copy or further information on our club. This leads to many new members who enthusiastically pursue the hobby of collecting wooden nickels.

WOODEN MONEY OF SASKATCHEWAN: Page two of this listing will be found at the end of this newsletter. Again thanks to Cec Tannahill and Frank Harding for their work.

MR. WOODY: Walt Holda advises that he is sold out of the Silver Wooden Crown he issued to commemorate the 25th Anniversary of Queen Elizabeth II. He went on to state that he made many friends "up north" with this issue.

CNA CONVENTION: As many of you have heard by now the Hotel Vancouver where the CNA was scheduled to take place has been closed because of a strike. This has led to some frantic searching by Ray Mah, Norm Williams, and others to find other accommodation on short notice. The new site of the CNA is the two year old HOLIDAY INN HARBOURSIDE in downtown Vancouver at 1133 West Hastings. Convention Chairman Ray Mah suggests that reservations for accommodation be made by going to your nearest Holiday Inn and ask them to book you for 'CONVENTION CNA '77' at HOLIDAY INN HARBOURSIDE IN VANCOUVER. A special rate has been arranged. All reservations that have been made at the Hotel Vancouver are being transferred to the Holiday Inn Harbourside, however, it is strongly suggested that you reconfirm. Telephone # is (604) - 689-9211 and Postal Code is V6E 3T3. The Canadian Numismatic Associations Convention is being held August 3 - 7, 1977 with the bourse open the last three days (Friday, Saturday, and Sunday). See you there.

WOOD. WOOD. WOOD: Again we have a number of pieces of wood to distribute at no cost to members. One will be included each issue of Timber Talk until all issues have been sent out. Hopefully there will be enough of each for all members. We have a 'Doubleton' from the Canadian Imperial Bank of Commerce, Frank Harding's new personal issue, and wood from the Canadian Large Cents Club c/o Gary C. Littrell, Amarillo, Texas. Also I hope to have another wood out before the CNA. I wish to thank all those who have donated wood to the CAWMC. Your support is appreciated by all members. The wood enclosed with this issue of Timber Talk is shown below. 1000 pieces were issued.

MEMBERSHIP LIST: A new membership list is being prepared and Page 1 appears on the next page. The list is, of course, subject to corrections. If you notice an error in your name or address please advise the editor and it will be corrected.
